Dear Mrs Willetts

PETITION TO THE COUNCIL – HILLINGDON FIRST

May I first thank you for submitting your petition of over 900 signatures to the Council's Civic Centre in person. A petition of this magnitude can take a lot of time to organise and no doubt there were many hours spent knocking on doors!

Hillingdon Council deals with hundreds of petitions each year and views them as an essential part of our democratic process. Whilst understandably our Constitution only allows for petitions to be considered from residents that reside within the Borough, given that your association is just outside our boundaries, I am happy to place it on official record and will ensure that the relevant Cabinet Member and our nearest Ward Councillors (in this case from Northwood) are informed.

In addition, your accompanying letter to the Leader of the Council will be responded to in due course. I enclose our record of your petition. Thank you again for bringing your concerns to our attention.

Yours sincerely
