

The Future of Three Rivers...

Planning Consultation

23 January - 5 March 2012

We are consulting on two documents that will affect the future planning of Three Rivers District.

The Site Allocations document identifies sites throughout the District for development up to 2026 to meet needs for:

- **Housing**
- **Employment**
- **Education**
- **Shopping**
- **Leisure**
- **Open spaces.**

It also includes a plan for the South Oxhey area to complement work on the South Oxhey Initiative and proposes some minor changes to the Green Belt.

The Development Management Policies document sets out policies against which planning applications will be assessed.

All consultation documents and details of how to respond are available on our website at www.threerivers.gov.uk, from the Council offices or for inspection at libraries in the District. Responses must be received by 5 March 2012.
